IX.  
Further Time allowed for Parties not so appearing.

AND be it further enacted by the Authority aforesaid That such Persons as shall happen to omit to compare and make good their said Claims before the said Judges of the Exchequer within the Time to be by them appointed in Manner above directed and shall thereby lose the Benefit of being placed and rated upon the said general Account according to which only the Commissioners of Equivallent are by this Act empowered to make Payment as is above more at large expressed shall nevertheless be allowed to compare by themselves or others by them lawfully empowered for that end before the said Judges of the Exchequer on any lawful Day within One Year after elapsing of the said First Day to be by them appointed and there to exhibit and make good before them their respective Claims which Claims so made good shall be by the said Judges of Exchequer admitted and entered into One Second general Account without Discretion or Order of Preference whatsoever to be by them signed and delivered to the Commissioners of Equivallent as also shall grant Certificates transferable by Indorsement and in the same Manner and Form as those upon the First general Account are hereby directed payable by the Commissioners of Equivallent first and immediately after the whole Debts due upon the First Two general Accounts.

X.  
Persons not appearing within the Time but allowed to be heard.

DECLARING always and it is hereby enacted and declared That such Persons as shall neglect to compare and make good their Claims as is above expressed before elapsing of this Second Term hereby granted shall for ever after be excluded and debarred from all Right Claim or Pretension they may have for Payment to be made to them of such their Debts out of this or any other Equivallent arising to Scotland by virtue of the Tauxy of Union.

XI.  
Certificates granted by Treasurers in what Case void.

AND whereas Certificates may have been granted by the Lords of Treasury to sundry Persons which have not yet been presented or paid and which might occasion Confusion if such Persons should yet remain in force be it therefore enacted by the Authority aforesaid That all such Certificates shall cease and become void.

XII.  
How the Commissioners of the Equivallent shall in the several Parties having Debts as aforesaid.  
Persons whose Commission only have not sufficient Money in Hand.

AND for the better Direction for the Commissioners of the Equivallent in Payment and Application of the Money of the Equivallent be it enacted by the Authority aforesaid That the Commissioners of the Equivallent shall be liable in the Manner prescribed in the aforesaid Sixteenth Act of the last Session of the last Parliament of Scotland to the several Parties having Interest and in all Cases where the said Commissioners shall not have sufficient Sums of Money in their Hands for answering the whole Sums due to any particular Order or Class Be it further enacted by the Authority aforesaid That upon presenting of any Certificate made and signed in Manner above directed and agreeing with the said general Accounts the said Commissioners shall make Payment to the Parties having Right respectively and proportionably as the Sums due to the said Parties has Proportion to the whole Sums due to the same Class and shall retire the principal Certificate with a Receipt on the Back thereof for such Sums as shall be then paid and shall give forth to the said Parties respectively transferable Debentures containing the Sums remaining due with the List either Civil or Military upon which it is due and the Order of Preference which Debentures shall have the same Force and Authority for the Sums therein contained as the principal Certificate

above mentioned and upon each period *Payement* the former Debentures being retired with a Receipt of the Sum then paid new Debentures shall be granted of the same Nature and Force as the former until the whole be paid and discharged.

And whereas it appears that after the *Payement* and Disposal of the above mentioned whole Sum of Three hundred and ninety eight thousand eight hundred and fifty five Pounds Ten Shillings there will still remain very considerable Sums of publick Debt to be paid and satisfied out of the other Sums which according to the Agreements contained in the Treaty of Union will become payable to Scotland by way of Equivalent Be it enacted by the Authority aforesaid That it shall and may be lawful for the Commissioners of Equivalent and they are hereby directed and empowered from time to time to call for and receive all and every Certificate for such publick Debt to be signed by the Judges of the Court of Exchequer in Scotland by virtue of this Act from the Persons having Right thereto and where there shall not be sufficient Monies of the said Sum of Three hundred and ninety eight thousand eight hundred and fifty five Pounds Ten Shillings remaining in their Hands for Payment of the Sums therein contained that then upon the Person or Persons having Right to the said Sums contained in the said Certificates granting in or their Receipt or Discharge upon the Back thereof and delivering the same to the Commissioners of Equivalent for their Warrant they shall grant to such Person or Persons One or more Debentures for the Sums contained in the said Certificate or Certificates or for such Part thereof as shall then remain unpaid in such Form and Manner as they shall judge most proper which Debentures shall be assignable and transferable by Indentment and bear Interest after the Rate of Five Pounds per Centum per Annum from the Twenty fourth Day of June One thousand seven hundred and eighty and payable out of the first and readiest of the said other Sums arising by way of Equivalent only preferable to all principal Sums and due Half Yearly that is to say upon the Twenty fifth Day of December and the Twenty fourth Day of June annually until the said whole Interest and Arrears thereof together with the principal Sums of such Debentures shall come to be paid off and discharged in the Bank and Order of Preference by this Act and the said Sixteenth Act of the last Session of the last Parliament in Scotland directed.

Provident always and he it hereby provided That when publick Intimation shall be made by the Commissioners of Equivalent (in such Manner as to them shall seem most expedient) for all Persons having Interest to come in and receive the Sums due to them upon all or any of the aforesaid Debentures or any Proportion thereof according to the Rules aforesaid at or before any Day in such publick Intimation is to be expressed the Obligation for Payment of the said Interest upon any such Sums or Proportion of Sums shall from that Day forth cease and become void.

And whereas the Case of the Annies of Penitents due to the late Bishops in Scotland and to the Poor upon Her Majesties Charity there are of themselves great Cases and of pressing Necessity and their Conditions were represented to the Commissioners of the Equivalent of Scotland to the end that the same might be laid before the Parliament of Great Britain for Relief Be it therefore enacted by the Authority aforesaid That out of the first and readiest of the Money remaining in the Hands of the Commissioners of the Equivalent appointed for Payment of the Debts upon the Civil List there shall be paid by them a full Years Pension of Her Majesties Charity to the late Bishops and their Representatives and the Poor in Her Majesties Charity Roll in Part of Payment of what is due to them precluding the First of May One thousand seven hundred and seven.

And whereas the Commissioners of Equivalent have already advanced and will in the further Progress of their Management be under a Necessity to lay out Money for defraying the necessary Charges that attend their Trust and for defraying in Procession before the Judge Ordinary when the Titles of Parties are not clear and have employed several Servants on whom they have settled Fees and Salaries although there has been hitherto no Provisions made for such Expenses Be it therefore enacted That Allowance be given for such Sums as have been or shall necessarily be by them laid out for these Purposes as also that they have Power to pay the necessary Fees and Salaries not exceeding the Sum of Nine hundred and twenty Pounds in the Year which Sums allowed for Expenses and Fees shall be a Charge upon and payable out of the first and readiest of the Money which is or shall be in the Hands of the said Commissioners from time to time and shall be allowed to the said Commissioners in their Accounts for the said Sums.

And in regard the Supplies granted by the last Parliament in Scotland for the publick Service of that Part of Great Britain for the Year One thousand seven hundred and seven appear to have fallen short of the actual Expence which should have been provided for by that Parliament Be it enacted by the Authority aforesaid That the said Judges of the Court of Exchequer in Scotland for the Time being shall and are hereby directed to state and take an Account of the said Deficiencies to the end the same may be satisfied in such Manner as the Parliament of Great Britain shall hereafter think fit.

And whereas the Commissioners of Equivalent have been at considerable Pain and Charge in attending the Distribution of the Equivalent Money and are made liable in their Persons and Estates to the Parties having Interest and to account to the Parliament of Great Britain for their Administration And whereas there has been no express Provision made for an Allowance to them in Consideration of their said great Pains and Expences Be it therefore

AN ACT for ascertaining the Rates of Foreign Coins in Her Majesty's Plantations in America.

Rev. Paul C. Anst.  
p. 6. n. 1.  
Record of Procla-  
mation, 18th June  
1706

**W**HEREAS for remedying the Inconveniencies which had arisen from the different Rates at which the same Species of Foreign Silver Coins did pass in Her Majesty's several Colonies and Plantations in America Her most Excellent Majesty has thought fit by Her Royal Proclamation bearing Date the Eighteenth Day of June One thousand seven hundred and four and in the Third Year of Her Reign to settle and ascertain the Currents of Foreign Coins in Her said Colonies and Plantations in the Manner and Words following

WE having had under our Consideration the different Rates at which the same Species of Foreign Coins do pass in our several Colonies and Plantations in America and the Inconveniencies thereof by the indirect Practice of drawing the Money from One Plantation to another to the great Prejudice of the Trade of Our Subjects and being sensible that the same cannot be otherwise remedied than by reducing of all Foreign Coins to the same current Rate within all Our Dominions in America and the principal Officers of Our Mint having laid before Us a Table of the [Value of the] several Foreign Coins which usually pass in Payments in Our said Plantations according to their Weight and the Assays made of them in Our Mint thereby shewing the just Proportion which such Coins ought to have to the other which is as follows viz. *Sevill* Pieces of Eight old *Plate* Seventeen *Penny* Weight Twelve *Grains* Four *Shillings* and Six *Pence* *Sevill* Pieces of Eight new *Plate* Fourteen *Penny* Weight Three *Shillings* Seven *Pence* One *Furling* *Mexican* Pieces of Eight Seventeen *Penny* Weight Twelve *Grains* Four *Shillings* and Six *Pence* *Pilar* Pieces of Eight Seventeen *Penny* Weight Twelve *Grains* Four *Shillings* and Six *Pence* Three *Furlings* *Peru* Pieces of Eight old *Plate* Seventeen *Penny* Weight Twelve *Grains* Four *Shillings* and Six *Pence* Three *Furlings* *Cross* Dollars Eighteen *Penny* Weight Four *Shillings* and Four *Pence* Three *Furlings* *Guineas* of *France* and *Spain* Twenty *Penny* Weight and Twenty one *Grains* Five *Shillings* and Six *Pence* *Escu's* of *France* or *Spain* Lewis *Guineas* *Penny* Weight Twelve *Grains* Four *Shillings* and Six *Pence* *Guineas* of *Portugal* Eleven *Penny* Weight Four *Grains* Two *Shillings* and Ten *Pence* One *Furling* Three *Gilder* Pieces of *Holland* Twenty *Penny* Weight and Seven *Grains* Five *Shillings* and Two *Pence* One *Furling* Old *Rix* Dollars of the *Empire* Eighteen *Penny* Weight and Ten *Grains* Four *Shillings* and Six *Pence* The [Half] *Guinea* and other Parts in Proportion to their Denominations and Eight *Pence* in Proportion to their Weight We have therefore thought fit for remedying the said Inconveniencies by the Advice of Our Council to publish and declare that from and after the First Day of January next ensuing the Rates of *Sevill* *Pilar* or *Mexican* Pieces of Eight though of the full Weight of Seventeen *Penny* Weight and an Half shall be accounted received taken or paid within any of Our said Colonies or Plantations as well those under Proprietors and Charters as under Our immediate Commission and Government at above the Rate of Six *Shillings* per *Piece* Current Money for the Discharge of any Contracts or Payments to be made after the said First Day of January next the Half *Guinea* and other lesser Pieces of the same Coins

to be accounted received taken or paid in the same Proportion and the Currency of all Pieces of Eight of Peru Dollars and other Foreign Species of Silver Coins whether of the same or base Alloy shall after the said First Day of January next stand regulated according to their Weight and Finest according and in Proportion to the Rate before limited and set for the Pieces of Eight of Seville Pillar and Mexico so that no Foreign Silver Coins of any Sort be permitted to exceed the same Proportion upon any Account whatsoever and We do hereby require and command all Our Governors Lieutenant Governors Majors Officers and all other Our good Subjects within Our said Colonies and Plantations to observe and obey Our Directions herein as they under Our Displeasure.

And whereas notwithstanding the said Proclamations the same indirect Practices as are therein mentioned are still carried on within some of the said Colonies or Plantations and the Money thereby drawn from Our Plantations to the detriment of the Trade of Her Majesty's Subjects Wherefore for the better enforcing the due Execution of Her Majesty's said Proclamations throughout all the said Colonies and Plantations and for the more effectual reviving the said Incommodities thereby intended to be remedied by the Queen's most Excellent Majesty by and with the Advice and Consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the Authority of the same That if any Person within any of the said Colonies or Plantations as well these twelve Provinces and Churches as under Her Majesty's immediate Commission and Government shall after the First Day of May which shall be in the Year of our Lord One thousand seven hundred and nine for the Discharge of any Contracts or Bargains as be elsewhere made account receive take or pay any of the several Species of Foreign Silver Coins mentioned in the before recited Proclamation at any greater or higher Rate than at which the same is thereby regulated settled and allowed to be accounted received taken or paid every such Person as accounting receiving taking or paying the same contrary to the Directions therein contained shall suffer Six Months Imprisonment without Bail or Mainprize any Law Custom or Usage in any of the said Colonies or Plantations to the contrary hereof in any wise notwithstanding [and shall likewise forfeit the Sum of Ten Pounds for every such Offence] Our Majesty Her Heirs and Successors the other Majesty to such Person or Persons as shall use for the same to be recovered with full Costs of Suit by Action of Debt Bill Pleint or Information in any of Her Majesty's Courts of Justice [within any of the said Plantations or in any "of the Courts of Justice"] of the Charter or proprietary Government, where such Offence shall be committed.]

Provided nevertheless and it is hereby declared That nothing in the before recited Proclamation or in this Act contained shall extend or be construed to compell any Person to receive any of the said Species of Foreign Silver Coins at the respective Rates in the said Proclamation mentioned.

Provided also and it is hereby further declared That nothing in this Act contained shall extend or be construed to restrain Her Majesty from regulating and setting the several Rates of the said Species of Foreign Silver Coins within any of the said Colonies or Plantations in such other Manner and according to such other Rates and Proportions as Her Majesty by Her Royal Proclamation for that Purpose to be issued shall from time to time judge proper or necessary or from giving Her Royal Assent to any Law hereafter to be made in any of the said Colonies or Plantations for settling and ascertaining the current Rates of such Coins within the said Colonies or Plantations but that such further Regulations may be made and such Assent given in as full and ample Manner as all Intests and Purposes as the same might have been done to case this Act had not been made and so otherwise Any thing herein before contained to the contrary hereof in any wise notwithstanding.

II.  
Reason for passing  
the Act.

And whereas the said Conservators having much improved the Navigation on the said River to the great Ease and Advantage of Her Majesty's Subjects near the said River in the said County and the Preservation of the Highways there and have also pursuant to the Trust reposed in them by the said Act diligently applied themselves to the making the said River navigable and have in Part accomplished the same but have not rendered it completely navigable at all Times for want of sufficient clearing digging and deepening the Channel in a certain Shoal called Broad Shoal and erecting a Lock or Half Lock at or near a certain Place called Round Island below a Bridge or Place called Knapp Bridge for the Perfection whereof it will be necessary to advance and expend a considerable Sum of Money notwithstanding the great Sum already disbursed by the said Conservators in the said Work which by an Account when tried and allowed by the Justices at the General Quarter Sessions of the Peace held at Bridgewater the Seventeenth Day of July last for the said County of Somerset appears to have been Three thousand five hundred sixty six Pounds Nine Shillings and Five Pence Farthing by which Account it also appears that the annual Income arising by Payments charged by the said Account on all Vessels navigated on the said River is not sufficient to pay the Interest of the said Sum of Money already laid out by the said Conservators towards making the said River navigable

former Act to be  
exercised if the  
said Tolls are paid
